

REFERRAL SHEET

CUSTOMER REFERRAL PROGRAM

WHAT IS THE CUSTOMER REFERRAL PROGRAM?

The Customer Referral Program consists of you providing your salesperson with 10 people that you know who may be in the market for a new or pre-owned vehicle. **For every contact that you provide that chooses to make a purchase from us, we will then issue a check made out to you for \$100.00.** We do NOT expect you to have this information right now, so we will schedule (box below) a follow up call 2-3 days from now where we will check on you and your vehicle. We will ask for this list at the end of that call.
